

task, he marshaled these scarce resources into the Marine Corps' and one of the Department of Defense' finest Research and Development Programs.

Col. Robertson has provided unfailing leadership in implementing new Department of Defense acquisition reforms and Integrated Product and Process Development Teams. These new and innovative business practices have been the vanguard for Defense Reform. Under his steadfast stewardship, the program earned high distinction and accolades such as the Packard Award for Excellence in Acquisition, the Defense Superior Management Award, Government Technology Leadership Award and numerous environmental awards.

Now as Colonel Robertson retires from his beloved Corps, I ask the House to join me in wishing him "fair-winds" and "following-seas" as he pursues life's next challenges.

HONORING DR. JACK R. ANDERSON

HON. BENJAMIN A. GILMAN

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 19, 2001

Mr. GILMAN. Mr. Speaker, I rise to honor and remember Dr. Jack R. Anderson, our nationally honored superintendent of schools in East Ramapo, New York, who recently passed away.

Hailed by his peers as "The last of the giants in public education," Dr. Anderson served the children and community of East Ramapo for more than 20 years with dignity and dedication.

Dr. Jack Anderson arrived in East Ramapo in 1977 and breathed new life into a troubled school system. During his tenure, he restored sound fiscal footing to our school district, promoted the importance of technology as a central focus of our students' education, and played a key role in the passage of a \$22 million bond, which enabled East Ramapo to move forward with plans to maintain the schools' infrastructure and upgrade the educational program.

Superintendent Anderson led a districtwide grade reorganization, reinvigorated our teachers and staff through his support for educational innovation, and, due to his fiscal fortitude, the school district received the highest credit ratings from financial agencies.

Our 1994 "New York State Superintendent of the Year." Dr. Jack Anderson brought national recognition and attention to East Ramapo and our school district. His "Vision for the Future" Program in the area of computer education became the model for schools around the country and he established one of the first federally-funded teachers' centers in New York.

Dr. Anderson also served as chairman of the American Association of School Administrators' Federal Policy and Legislation Committee, as president of the Mid- and Lower-Hudson School Study Councils and Rockland Superintendents Association.

The vision, leadership, and caring spirit of Jack Anderson will be sorely missed not only by our East Ramapo community, but by thousands of students and parents throughout Rockland County.

Author Horace Mann once wrote, "The common school, improved and energized as it can easily be, may become the most effective and benignant of all the forces of civilization."

Thanks to Jack Anderson, our East Ramapo schools are improved and energized, and it is our children, the future of our Nation, who have benefitted.

CONGRATULATING LIONEL D.
BROWN WINNER OF CONGRES-
SIONAL ART COMPETITION

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 19, 2001

Mr. THOMPSON of Mississippi. Mr. Speaker, after weeks of deliberation, I am pleased to announce Lionel D. Brown, of Bolivar County, Mississippi, as the winner of "Artistic Discovery 2001". This annual art competition is a real opportunity for our students all over Mississippi's Second Congressional District, which encompasses twenty-four counties, to showcase their talents. I was not surprised to see that we have a lot of young talented artist in the district. Lionel's magnificent block print painting, titled "A Long Journey Ahead" edged out the stiff competition to win this years contest. This year we had seventy-four entries from worthy participants. I am sure the judges had a tough job choosing just one. I am proud of Lionel and I will take great pleasure in displaying his artwork in the Capitol subway for all to see.

Lionel spent several months in preparation and effort in order to complete his piece. He is to be commended, not only on his winning piece, but on his success in life to date. Lionel is a recent graduate of East Side High School and plans to attend a college somewhere in the State next year. I urge him to apply and hopefully attend my alma mater Tougaloo College in Central Mississippi. He would be a welcomed addition.

Lionel is not only a talented artist, he is also a superb baseball player. He plans to pursue both of these endeavors in the future, where ever he goes. I wish Lionel the best and I am confident that he will do well in his "Long Journey Ahead".

HONORING THE NATIONAL ACADEMIC TEAM OF THOMPSON INTERMEDIATE SCHOOL

HON. KEN BENTSEN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 19, 2001

Mr. BENTSEN. Mr. Speaker, I rise to honor the Thompson Intermediate School National Academic Team, on the occasion of recent victory in the National Academic League Finals.

The National Academic League is a nationwide contest between middle school academic teams that is set up like an athletic game. Each competition is broken into four quarters, and students answer questions about math, science, social studies, and language arts. The competition is a fun and educational way to develop fundamental skills.

Thompson Intermediate School's victory marks their third championship and fifth trip to the National finals. The victorious 7th and 8th graders included Tiffany Lily, Vishal Patel,

Christine Tran, Van Nguyen, Lam Lei, Wesley Bennett, Minh Bui, Ana Lopez, Justin Lai, Courtney Grimes, Grace Kim, Michael Cole, Adrian Ingalls, Tracie Thompson, Rustain Abedinzadch, Ryan Fox, Ryan Dawson, Bruce Lee, Henry Dao, and Richard Quach. The team was under the veteran leadership of coach Carolyn Carmichael, and Thompson Intermediate School Principal Greg Jones.

The finals were the culmination of hard work and rigorous training by the students. The Pasadena School District, the only Texas school district to compete, adopted the program in 1993 in order to motivate students and encourage academic achievement. After thirteen matches with the nine other district teams, Thompson went on to the National Competition with the strong support of all of their classmates. The students prepared for the competition in a separate National Academic League class. This advanced level class prepared the students for competition with a fast-paced and diversified curriculum.

Mr. Speaker, the members of the Thompson Intermediate National Academic League Team have seen their dreams and hard work come to fruition as they have captured the National title. I applaud the hard work and diligence of these students, and wish them continued success in their studies.

TRIBUTE TO THE FULLER HAMLET
UNDER-11 GIRLS SOCCER TEAM

HON. JAMES P. McGOVERN

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 19, 2001

Mr. McGOVERN. Mr. Speaker, I rise today to join the community of Sutton, Massachusetts in celebrating the success and triumph of the Fuller Hamlet Under-11 Girls Soccer Team. On Sunday, June 10, 2001 the girls won the Massachusetts State Championship by defeating Charles River United by the score of 1-0.

The achievement is impressive in itself, considering the fact that these young women were able to band together and earn an honorable achievement at such an early age. Attaining a championship is a feat that is cherished by all athletes, yet even at the professional level of sport not all are able to understand the exultation and excitement that these young women have just enjoyed. It is also worth mentioning that the Under-11 Girls team has joined the great tradition of winning, which has made the Fuller Harrilet organization a perennial force in girls soccer.

I would like to recognize the contributions of each individual who has taken part in such an exceptional accomplishment. The team was comprised of 17 players: Ashley Cubbedge, Erin Fleury, Brenna Flynn, Heather Gosnell, Karina Gregoire, Caitlin Lachowski, Marissa McCann, Robin Deschke, Rachel Norberg, Lauren O'Connor, Briana Paris, Melissa Stomski, Courtney Sturgis, Alexandra Tauras, Courtney Talcott, Nfichelle Cavaliene, and Suzanne Jensen. Recognition must also be extended to the head coach, Marc Bowden, whose prominence was clearly demonstrated by guiding these young ladies to the Under-11 Massachusetts State Championship.

Mr. Speaker, it is with tremendous pride that I acknowledge the outstanding young women

athletes of the Under-11 Fuller Hamlet Girls Soccer Team for a noteworthy season. I congratulate them, with great promise of future excellence, on their most exceptional accomplishment and wish them the best of luck in years to come.

TRIBUTE TO THE LATE HARRY
FORD, BRIAN FAHEY AND JOHN
DOWNING

HON. PETER T. KING

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 19, 2001

Mr. KING. Mr. Speaker, I rise today to mourn the loss of 3 New York Firefighters, the bravest of the brave. This past Father's Day, Harry Ford, Brian Fahey and John Downing died in the service of New York. These men were prepared for and paid the ultimate sacrifice, giving their lives to save others. Far too often the courage and selflessness of firefighters go unnoticed and unrewarded. Unfortunately, it takes a tragic fire in Astoria, Queens, to remind us of just how important they are. Firefighters personify courage and all that we as a nation hold dear. My prayers are with their families and their fellow firefighters. They will be missed but not forgotten.

TRIBUTE TO MR. JOHN L.
STOKESBERRY ON THE CELE-
BRATION OF HIS RETIREMENT
ON JUNE 21, 2001

HON. CARRIE P. MEEK

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 19, 2001

Mrs. MEEK of Florida. Mr. Speaker, it is indeed a distinct privilege to rise and pay tribute to one of my community's unsung heroes, Mr. John L. Stokesberry, Executive Director of the Miami-Dade County Alliance for Aging, Inc. His friends and admirers will honor him on June 21, 2001 at a retirement dinner in Miami, Florida in recognition of the longevity of his service to the elder citizens of Florida.

Mr. Stokesberry is truly one of the noblest public servants of my community. Having dedicated a major portion of his life to making the health care system work on behalf of Florida's senior citizens, he has been relentless in his development of innovative elderly service programs that responded to the crying needs of our community's seniors. His was indeed a crusade of love and commitment that maximized understanding and compassion for countless destitute families who severely lack the financial wherewithal to have their elder members' welfare move up through the labyrinth of the bureaucracy.

Under his leadership many lives have been saved and countless families have been rendered whole because of his dedication to create accessibility to affordable elderly health care and welfare services. He was virtually the lone voice in the wilderness in exposing his righteous indignation over the hopelessness of countless senior citizens who through the various crises of poverty rendered them helpless before obtaining affordable quality health care and welfare services for them.

Furthermore, he has been forthright and forceful in advocating the early recognition of the problems affecting the elderly population of our state. Under his tutelage, the Alliance for Aging, Inc. and other ancillary centers on aging and development disabilities have been established to provide outreach programs in various segments of our community. Together they have initiated educational programs for its elderly population long before the crisis was recognized, and federal, state and local funding became available. His knowledge of and sensitivity to Florida's seniors knew no bounds, and he was likewise untiring in seeking the appropriate elderly care guidance for them.

In various articles on his role in facilitating upgraded quality service to our elderly population, Mr. Stokesberry was genuinely lauded as an elderly care provider par excellence who has shown courageous leadership and extraordinary vision, forcefully insisting that high quality services must be provided on behalf of our nation's burgeoning senior citizens population and must be constantly upgraded with constant community input and collaboration.

The consecration of his life serves as an example of how much difference a committed crusader like him can truly make on behalf of the less fortunate. Almost singlehandedly he has championed a career-long commitment to affordable quality senior care service for nearly three decades.

In his stint as State Director of the Florida Office of Aging and Adult Services and on to his leadership role at the Alliance for Aging, Inc., Mr. Stokesberry ensured the provision of high quality, accessible senior care to the elderly population in Miami-Dade and Monroe counties. During those harrowing times of cutbacks in health and social services funding for seniors at the federal, state and local levels, his innovative and uncompromising commitment enabled his office to maintain its critical role, while leading efforts to ensure that program effectiveness and a caring approach were not compromised.

Mr. Stokesberry truly represents an exemplary community servant who abides by the dictum that those who have less in life through no fault of their own should somehow be lifted up by those who have been blessed with life's greater amenities. As a gadfly among Miami-Dade County's and the nation's elderly care professionals, he is wont to prod his colleagues toward ensuring that both political and bureaucratic leadership must find a way to develop programs in and of the community, despite the risks.

As one of those hardy spirits who chose to reach out to senior citizens from various segments of our community, Mr. Stokesberry thoroughly understood the accouterments of power and leadership. He wisely exercised them, alongside the mandate of his conviction and the wisdom of his knowledge. The crucial role he played all these years in developing affordable quality care for our seniors evokes a genuine humility as he is wont to say that "... the accolades are not important. What is important is that my community receive the recognition of its strength amidst its diversity, and get the help for the disproportionate share of the problems our senior citizens confront everyday."

It is indeed an honor for me to have had the privilege of knowing this gentle and caring man. His word has been his bond to those
